

## National Conclave

on

## Connecting Education, Skill Development and Career Aspirations (CESCA)

18-20 January, 2018

### Confirmation of Booking of Exhibition Stall

A special feature of Connecting Education, Skill-development and Career Aspiration (CESCA) will be exhibitions by prominent R&D organizations, universities and industries on their offerings to students in the areas of education, employment and skill development.

The exhibition will be organized in the NISTADS-NISCAIR campus, a spreading, green campus centrally located in Delhi with excellent connectivity.

The exhibition facility will includes exhibition stalls, power supply, public-utilities, display panels, public address system, multi-cuisine food court, and food display panels.

Stalls will be organized in the campus for easy access and visibility. We expect several thousand students all the three days of the Conclave. The stall will be also visited by decision makers and industry leaders.

Please book your stall/Panel early.

For details of the stalls, contact our industrial partner, Novateur Consultancy & Assessment Solutions LLP, [info@ncas.in](mailto:info@ncas.in)
