Dear Sir,

This bear the reference of Lok Sabha Question D.No. 3372.

You are requested to provide inputs to following question:

**Whether CSIR is doing / have done research In the field of Biodiversity ? If so details there of.**

You are requested to please provide your inputs on the aforementioned question positively by evening of 18/07/2018.

As the matter pertains to Parliament , please treat it MOST IMMEDIATE.

Starred /Unstarred Diary No.-- S1718

**(a) whether Government has developed a network of knowledge institutions for studies on the Himalayan ecosystem under the National Mission for Sustaining Himalayan Ecosystem (NMSHE) and if so, the details thereof;**

Ans: CSIR-NISTADS is not directly working for studies on the Himalayan ecosystem under the National Mission for Sustaining Himalayan Ecosystem (NMSHE). Though is involved indirectly in the following projects related to the area:

1. Holistic herbal healthcare: socioeconomic impact analysis of Rare, Endemic, Endangered and Threatened (REET) medicinal plant species of North-East Region of India. Pilot study at NISTADS.
2. Economic Growth and Potential of Clean Energy Technology Development in India.  
Sponsoring Agency : WWF India
3. Policy and Institutional Support for Organic Agriculture: Enabling Pathways for Inclusive and Sustainable Development. In collaboration with TERI. Sponsoring Agency: Ministry of Agriculture.
4. Modelling Studies on Green House Gas Emission and Emission Intensity of Indian Economy. Sponsoring Agency Ministry of Environment, Forest and Climate Change, Govt. of India
5. Design of Policy Advocacy and Intervention for control of air pollution over Delhi through comprehensive quantitative analysis. CSIR Project
6. Reduction of Atmospheric CO<sub>2</sub> over Delhi through Non-disruptive and sustainable Carbon Sequestration. CSIR Project
7. Pilot study on disaster vulnerability and resilience. CSIR Project
8. A pilot study for income and employment generation for sustainable development of NE region
9. Skills for Green Jobs in India, Sponsored by ILO.
10. Development of Smart Irrigation System for Water Efficient Agriculture, CSIR Project
11. Technology Empowerment of North-East with water Energy and Communication solutions and other critical areas (TENE WECS), Sponsored by AICTE

**(b) whether Government has developed a framework for cooperation with neighbouring countries to obtain knowledge and develop strategy under the NMSHE and if so, the details thereof; and**

-Nil-

**(c) whether Government has developed knowledge networks in various areas under the National Mission on Strategic Knowledge for Climate Change (NMSKCC) and if so, the details thereof?**

-Nil-

CSIR-NISTADS is engaged in survey/research in the areas of Rare, Endangered and threatened species (botanical) species in the Himalayas through in-house research and research network.

Dear All,

Ministry of Science & Technology has received a Parliament Question on 'invention and discoveries in the field of Science & Technology'.

- a) the major inventions/discoveries made in the field of science and technology in the country during the last three years and the current year;
- b) the steps taken for the commercialization of the said inventions/discoveries; and
- c) the extent of success achieved as a result thereof?

Your Lab is requested for forward requisite inputs as per the attached format for preparation of suitable reply by 28.07.2018 (b/n).

With kind regards,

SK Tiwari
